

## INFORMATION SHEET

This year Victory Bible College in partnership with *Community Training Australia* a Registered Training Organisation is presenting a fully accredited one year Diploma in Counselling.

This accessible course fills in the gaps of knowledge in the area of mental health and sound counselling procedures in order to care for others.

You will learn about yourself, your own strengths, and what you bring into the counselling situation.

As a Christian counsellor you will have the added capacity to involve God in the counselling session.

As a full time programme over a full year you may be eligible for Austudy or Abstudy funding.

An introduction night will be held Mon evening 1st February 2010. The Course will start February 22<sup>nd</sup> 2010.

If this is of interest to you please go down to the information desk after the service and get a Brochure.

Extra possible inclusions:-

After graduation you can apply for registration with the Australian Counselling Association.

Some universities are now giving graduates significant credit towards their Counselling, Social Work and Psychology Degree courses.
